Indian Institute of Information Technology Kottayam, Kerala
(An Institution of National Importance under the Ministry of Education, Govt. of India)

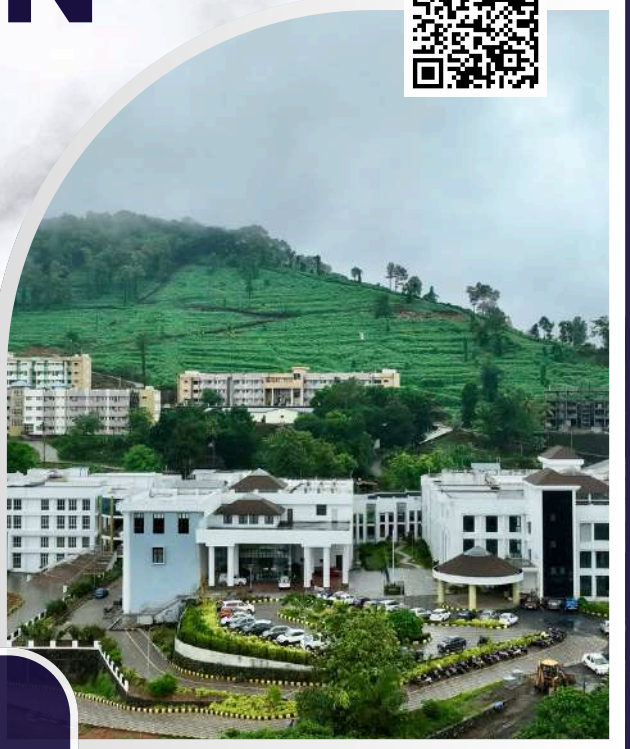

JANUARY 2027

Ph.D. ADMISSION

KNOW MORE

About the programme

IIIT Kottayam launched its doctoral programme to impart the knowledge, skills, and attitude to do world-class research in the area of computer science and its allied fields. Most of the Ph.D. Scholars have been awarded scholarships under various schemes from different funding agencies, like DST. Institute may provide teaching assistantships to eligible students as per prevailing norms. Our scholars are now collaborating with international universities to enhance their research works. The faculties of the Engineering departments, Computational Science & Humanities department along with their research scholars, perform cutting-edge research and have resulted in highly acclaimed publications in reputed Journals and Conferences, as well as Patents in their respective domains. Our faculties also take industrial consultancy projects, apart from sponsored research projects and collaborative projects with Industry/Academia within India and abroad.
